Re: Community Recreation Center Parking Lot reconstruction

Copy to: File

The following are general notes from the Community Recreation Center Parking Lot Reconstruction pre-bid meeting held on March 25th at Community Recreation Center

In attendance:

- Hardin Paving Company
- Accu-Paving Company
- Evans & Son Blacktop Inc.
- Maneval Construction Co., Inc.
- Glander Paving Co.
- E. Hoffman, Inc.
- Larry Raffel, Wheeling Park District

Superintendent Raffel provided a general project overview highlighting the scope of work and key dates as described in the project manual and the drawings.

Discussion items and clarifications are as follows:

1. The Wheeling Park District will secure and pay for the Construction Permit from the Village of Wheeling.
2. The contractor may begin work as soon as the permit is secured and all documents required by the Wheeling Park District have been provided.
3. Addendum Number 1 will direct bidders to add the following item to Unit Prices under the Additional Items heading on page 9 of the Bid Form:

Undercut / Remove and Replace (Sub-base Repair) \$_____ per square yard

If the asphalt pavement or base fails a proof roll as determined by the Village of Wheeling Inspector, the failed area will be marked by the inspector and the contractor will be required to undercut the identified area and repair the sub-base. The contractor may use the pulverized asphalt or the existing stone base from another area on site. No new material shall be brought to the site.

4. If undercut and removal is required, it shall be considered a Change Order to the original contract and paid based on the unit price provided in the Bid Form.

Reminder: The bids are due and will be opened and read aloud on Thursday, April 1, 2010 at 2:00 p.m. in the Board Room at the Wheeling Park District Community Recreation Center.

This information will also be included in Addendum Number 1 to ensure that all prospective bidders have received and are aware of the items discussed in the Pre-Bid Meeting.
