

**Youth Soccer League**

The Wheeling Park District, in cooperation with Prospect Heights Park District, is dedicated to providing a structured soccer league for children from four years old through eighth grade. This league offers a fun and exciting experience for children while developing skills. All players learn in an atmosphere where teamwork and sportsmanship are stressed.

**Team Formation and Practices/Games**

- Teams are formed by Park District staff and are based on volunteer coaches, school locations, and mutual friendship requests. Staff does its best to keep the same team from fall to spring season.
- Practices take place once a week for one (1) hour for WWK division through Grade 4. Grades 5 – 8 may have practices twice a week for one (1) hour, depending on the coaches' availability.
- Games for Grades K-4 are played on Saturday afternoon beginning August 28.
- Games for Grades 5 – 8 are played on Sunday afternoon beginning September 12 in Wheeling and Northbrook.

**Mutual Friendship Request**

- Friendship requests can be submitted for Gades K – 2. In order for a request to be valid, two mutual requests must be received; i.e. Johnny wants to be with Suzie, and Suzie wants to be with Johnny.

**Uniforms**

All players new to the program must purchase a league uniform to participate.

- **Level WWK, 1, and 2:** Reversible jersey (blue and gold) is available for purchase at the Community Recreation Center for \$18 (not included in the registration fee). If player already has full uniform, purchase is not necessary.
- **Levels 3 and 4:** Full Uniform (blue shirt with black socks and shorts) is available for purchase at the CRC for \$18 (not included in the registration fee). If player already has full uniform, purchase is not necessary.
